

# The NCODA Nursing Community:

## Where Collaboration and Innovation Cultivate Excellence in Oncology Care

### Our Mission

*Is to inspire nurses caring for individuals with cancer, to share ideas, collaborate inter-professionally, and to promote quality standards and best practices in oncology nursing care.*

### Our Vision

*Is for all nurses caring for individuals with cancer to be recognized as valued members of the medically integrated care team. We will achieve this through innovation of resources that empower all oncology nurses to provide the best care possible so that every patient receives the maximum benefit from their treatment.*
